LAB SCHOOL SUMMER CAMP

314-822-8282

Lab School Summer Camp is a day camp for children 3-6 years old, who are potty trained and have not attended kindergarten. 8 camps consist of fun-filled activities, each focusing on a central theme. Activities include water fun, art experiences and dramatic play. Each session features a special guest or field trip. The camp day is from 9:00 AM-1:00 PM and includes morning snack and catered lunch. Early Care is available on request from 7:30-9:00 AM each day for an additional fee. All day camp is available for Camp 1 and Camp 8 (7:30 AM-6:00 PM).

Session 1 SUMMER SURPRISE! May 23 – May 27 \$140.00

Campers will enjoy centers offering mixed media, cooking, water play, block building games and music in this fun-filled “welcome to summer” camp.

Session 2 CLIFFORD...A BIG DOGGONE DEAL! May 31-June 10 \$252.00

We'll enjoy a Clifford Playground Parade (bring your own bike/trike or use one of ours) and we'll decorate them. Help us create a group collage of the famous Big Red Dog. Try your hand at designing a frame for a photo of you and Clifford! After reading Clifford and the Big Ice Cream Mess, we'll make puffy-art ice cream cones and enjoy special ice cream treats! Our special guest will be the Champ Dogs (rescue dogs). Don't miss this “doggone” good time!

Session 3 ARTISTS' TOOLBOX June 13-June 24 \$280.00

Come and discover the artist that is in every camper! We'll make 3-D cloud art, wood and wire sculptures, explore watercolor painting and make our own “rainbow” snack cake. Each camper will design their own camp tote bag to take home using a mixture of art media. We'll have a special visit from a Kirkwood artist, who will help us with a unique art project. Don't miss this “colorful” camp!

Session 4 CELEBRATE...HAVE A BLAST! June 27-July 8 \$252.00

In preschool, every day is a party! We'll celebrate “A Day of Birthdays”, make party hats, bake birthday cupcakes and play games galore to honor all of our campers' birthdays. The 4th of July is a party day if ever there was one. We'll make patriotic paper flags and special “sparkler” art projects. Last but not least will be our Spectacular PJ Sleepover Day Celebration. Campers will wear (or bring) their pajamas and favorite stuffed animal. We'll share a surprise breakfast snack and have a special visit from the Kirkwood Library storyteller!

Session 5 T-REX AND BEYOND! July 11-July 22 \$280.00

Step back in time to the days of these prehistoric giants! Art projects will include making dinosaur rubbings and creating clay dino sculptures to go in our “prehistoric city”. Budding paleontologists will create volcanoes that were part of the land before time. We’ll have our own “dinosaur dig” using sand, brushes, bones and magnifying glasses. Special snacks are always part of camp...are you a meat eater or herbivore? We’ll end our camp with a visit from the St. Louis Science Center’s Vanasaurus!

Session 6 CIRCUS ADVENTURES! July 25-August 5 \$280.00

The Circus is in town! Come and soak up the excitement of the midway! We’ll make elephant masks, clown hats, do face painting and create our own circus mural. Each camper will make circus posters (guess whose picture will be on it?). We’ll practice our circus acts using “stilts”, tumbling, balance beams and juggling beanbags. The children will make Lion Cookies and we’ll have a special guest to help us celebrate the sights and sounds of the greatest show on earth!

Session 7 SAND, SURF AND SUMMER FUN August 8-August 19 \$280.00

Join us in a celebration of sand, water and beaches! We’ll have wet and wild fun as we make waves in a bottle, and create shell sculptures during our beach adventures. T-shirts are part of summer and we’ll make our own tie-dyed originals. We’ll experiment with sand art, 3-D tropical fish and make beach s’more snacks. Don’t miss a visit from the Powder Valley Conservation Center to talk to us (and show us!) about water critters. It’ll be oceans of fun!

Session 8 Summer Sampler...Mixin’ It Up! August 22-Sept. 2 \$252.00

Join us for an end-of-summer potluck of fun. Games, art projects, puppet shows, cooking, water play, music and good times with our friends. We’ll have a visit from a storyteller who will share stories and books filled with adventure. Our dramatic play will go hand-in-hand with the literature she shares. Special snacks will wrap up our Summer Sampler!

**SUMMER IS A BLAST AT THE LAB
SCHOOL CAMP!**
